

ALL MEETINGS ARE NORMALLY AT THE EOC HOPE HILL FIREHOUSE, 143 HOPE HILL ROAD, WALLINGFORD HOWEVER THEY ARE SUSPENDED UNTIL FURTHER NOTICE

KEY KLIX EDITOR DAVE SWEDOCK K1WJL DSWEDOCK@GMAIL.COM 203 235-8582 WEBSITE WWW.W1NRG.COM OFFICIAL MAILING ADDRESS, MERIDEN AMATEUR RADIO CLUB, POB 583, MERIDEN CT 06450

KEY KLIX Editor "Ducks" out on his duties

Apologies for the late KK but the editor was overwhelmed with 4000 rubber ducks for the Meriden Lions annual Duck Race in Meriden. To prove how "Ducked Up" I was, pictures are on page 3....

Business Meeting Thursday June 10:

The business meeting occurred and the minutes wil be posted in the July KK. The May Minutes are included in this issue. Sorry for the inconvenience but blame it on the ducks....

Activity Meeting Thursday June 24th on ZOOM

The planned activity is Field Day preparation on ZOOM...

Field Day June 26 / 27...

Rob K1RCT is planning on Field Day at the OEM but Covid restriction protocalls are still in place. I hope to have more details soon and will pass them along. Please do not plan to go down to the OEM unless you are on the schedule with Rob.

THE FOX GOES FOR A WALK IN THE PARK - AND BEYOND

MARC has been talking about fox hunting for as long as I have been a member, since 2016. However, it was only a little over a year or so ago, that talk turned into a frequent reality. It needed two major factors to come into play: commitment from NZ1J Dave, and a pandemic -courtesy of the Covid-19 virus. The rest came naturally due to the membership facing - as did everyone else - isolation and a need for human contact. This is where the Club and amateur radio came to the rescue. We can thank Dave NZ1J and Rob K1RCT for our weekly fox hunts. They have kept us together as friends and as a Club. Indeed, our Club membership has grown from the 80's to the 110's – an impressive increase of ~ 30%. Plus, we have become quite proficient at triangulating. Now after over 60-70 fox hunts, as they say. "What else ya' got?"

Fortunately – we – the hobby and the Club, have 'gotta lot'. As the pandemic ends, from what I am hearing, W1NRG may be meeting in-person, indoors at the OEM, in about a month or two. Since the weather is, so far so good, are there other outdoors activities that MARC can focus on? Well, along comes "OTA" activities. Parks on the Air (POTA), summits on the air (SOTA), as well as various other OTA venues (Parking Lots, Tarmacs, Convalescent Homes, Dunkin' Donuts, Cul de Sacs, Firehouses, etc,) are all doable. Grab an HT or a Go-Kit and an antenna and a chair and a few creature comforts and voila! – "calling CQ, calling CQ, this is W1NRG activating Parks on the Air at Wharton Brook State Park in Wallingford, CT calling CQ and standing by".

Once again NZ1J has stepped up and provided the foundation for MARC members to participate, this time with Shawn KC1NQE by his electronic side. These two club members will be presenting at our June 3rd Tech/Net via Zoom – on how to get started on OTA. Dave has already shared some info via email – including how to join POTA and generate Club logs, etc. So now we have Fox Hunts <u>and</u> POTA/SOTA activities to get us outdoors and active in ham radio and spending time together as club. We could even form OTA teams of MARC members and have friendly competitions. Color War anyone?? Variety is said to be the spice of life. Having an alternative amateur radio OnAlr option – in addition to Fox Hunting that:- gets us OnAlr, occurs in a beautiful, sunny, warm environment, includes gathering with groups of friends who can spend a few hours talking, laughing and being happy – and all over food and your beverage of choice* – what's better than that?

We have survived the Pandemic with all of its sadness and isolation, and we can thank the Meriden Amateur Radio Club for helping us get through this in so many ways. Now it is time to (PLEASE GET VACCINATED**), and enjoy being active again, in our hobby many new (old) ways. There is still lots more to come: Larks in Parks, providing "security" for 5K road races, flea markets, Ham Fests, VE sessions, etc., all in addition to Fox hunts and POTA/SOTA events.

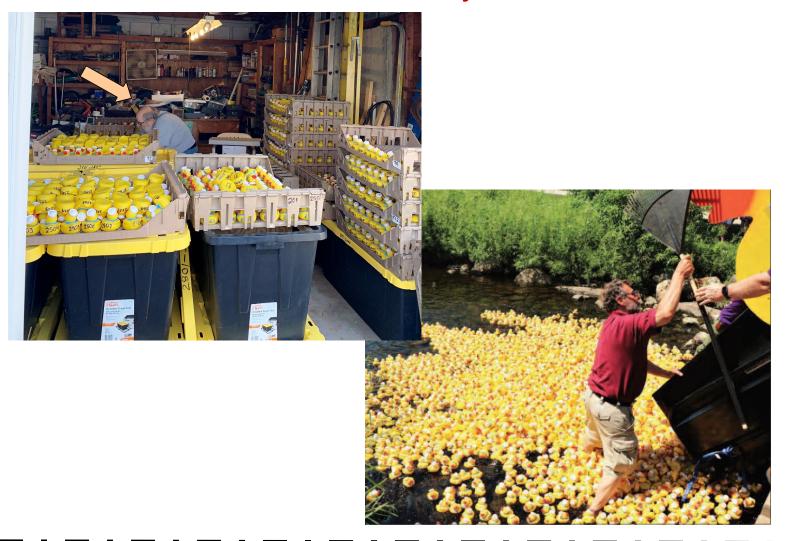

So, as we look to June there are lots of things for MARC members to be thankful for and to look forward to. And oh yes, did I mention satellite QSO parties, and

Ed W1YSM President

* (drink responsibly) ** (if you haven't)

Your editor is also a member of the Meriden Lions Club and although he has stepped away from the club a few years ago, he was strong-armed into reclaiming his title as Duck Commander and had to account for each and every of the 4000 numbered rubber ducks. Took about four weeks culminating in the race at the Meriden Green on Sunday June 6th. Pix below is when the 4000 ducks were dumped into the river for the 800 foot trek to the finish line....

Now back to the Key Klix.....

ERIC KB1JL, BOB WB1GYZ & BART N1BRL VISITED WITH JOHN K1VDF AT THE REGENCY HOUSE RECENTLY...HE IS IN GOOD SHAPE AND SPIRITS AND HOPES TO GO HOME SOON.

Secretary Report & Minutes of the Meriden Amateur Radio Club Bart Toftness N1BRL , Secretary MAY 13 , 2021 BUSINESS MEETING

Business meeting May 13, 2021 via Zoom videoconference

Meeting was called to order by President W1YSM at 1930 local

Normal introductions were omitted as all attendees (31) are self-identified in 'Zoom' ,K1RCT, N1API, N1BRL, W1DQ, W1EDX, K1JCF, N1LES, KC1DOY, WV2LKM, KB1JL, K1STM, KC2MLH, KE1AU, KC1PBQ, K1MTD, KB1EHE, W1YSM, K1WJL, KC1KQH, NZ1J, KC1OYN, N1FNE, K1VDF, KC1OYM, N1ZN, WB1GYZ, WA1ZVY, W3APC, N1GNV, K1LYP, K1LHO.

<u>Announcements</u> (W1YSM), OEM access is still limited to a max of 10 people with mask, Gorden West, "Real Hams and Real Emergencies" will be the guest speaker at the May 27 activities meeting, combination Zoom and in person hybrid business meetings are being considered for the future.

Secretary's Report (N1BRL) March and April meeting minutes were approved by majority vote.

N1BRL presented 4 applications for new membership, KC1PBQ Randy Rivest, K1MTD Mary Duval, K1RMA Don Richards, KC1PHK Lincoln Nichols, who were each approved by a show of hands on Zoom and there were no objections. 1 applicant N1FNE Rod Lane was approved by a show of hands on Zoom with a single light hearted opposition by a personal friend. Email correspondence from W1FYG Don Izzo was received expressing his condolences to the club regarding SK W1KKF Bill Wawrzeniak.

Treasurer's Report (K1WJL) was read by Dave. Details are available from Dave upon request.

Station Manager's Report (K1RCT) some of the items in the SAM Report were: EOC activity and radio room disinfection, G5RV antenna is down so reassignment of antennas in the radio room, RF check out, reduction in radio repair bench footprint and Buddy Pole system availability for SOTA & POTA activations. The SAM report is available upon request.

<u>OEM/EOC opening</u> Building usage continues to be restricted to 10 people with masking and continued COVID prevention protocols as per the town.

Standing Committees and working groups

Entertainment/Activities, – Gordon West will be the guest speaker at the May activities meeting on Zoom. Technical, The new updated FCC RF Exposure Rules Notice and its' application to all amateurs were discussed. The club station has already been surveyed by the Station Activities Manager and found to comply so long as transmission power is less than 800 W.

Scholarship, Jim N1ZN has contacted the 3 Meriden High Schools to inform them of the scholarship availability. Publicity, – No report.

Repeater, - N1LES was added to the repeater committee.

<u>Other Activities.</u> There is growing club interest in activations such as Parks On The Air and Summits On The Air. NZ1J has done a few and members are reminded of the availability of the Buddy Pole and other equipment for various OTA's. Fox hunts continue to draw a number of members and even an out of state ham. Website updates continue. Plans for 13 Colonies Special Event are in the works with several members ready to operate as K2D. All of the club nets continue to be well attended. Todd K1TDO has returned as NSC on 2 meters and Al N1API continues to fill-in for the recovering John K1VDF on 10 meters. Lark in the Park is set for 22 July with details to follow.

Instruction VE /Training N1ZN reported about the recent VE session: there were 2 new Technicians(one was 12 years old), 2 upgrades to General and one upgrade to Extra class. The next VE session will be 12 June at the OEM. Updated New Ham Kits were provided to the examinees.

June 5th Flea Market at the EOC 8 - 10 AM is being planned for club members, anyone may attend but only club members may sell.

Certificate of Membership and business cards, 3 certificate of membership forms are being finalized and will become available online.

Nutfest – The full featured Nutfest will be delayed until 2022. A scaled down alternative such as "Not fest" or "Yankee Peddler Ham fest" is being considered.

WARG/EMCOM/Aux Com, Retiring Fire Chief Heidgerd was presented with a MARC Certificate and a Challenge Coin. Ed W1YSM initiated contact with the new Acting Fire Chief Joseph Czentnar.

Candy Store Gold Medal Ideas has updated the line of MARC wares.

Old Business no discussion needed.

<u>New Business</u>, Scanning and storage of archival documents on the club website was discussed. A CW training net was proposed based on a Zoom format. Field Day plans will be finalized at a later date. A motion to have the repeater PL on input configured on an "As Needed Basis" was defeated.

<u>Voting Summary for the May meeting</u> 5 New members were affirmed by majority without dissent. March and April minutes were approved. Repeater PL use on an 'As needed basis' was defeated. 4 votes in favor, 9 votes opposed and 4 abstained. Meeting was adjourned at 21:40 Respectfully submitted, Bart Toftness, N1BRL

FROM YOUR FRIENDLY FCC.....

Effective on June 29, 2021, amateur radio licensees and candidates must provide the FCC with an email address on all applications."

Licensees can log into the ULS License Manager System with their FRN and password at any time and update anything in their FCC license record, including adding an email address. For questions or

password issues, call the CORES/FRN Help Line, (877) 480-3201 (Monday—Friday, 1300 - 2300 UTC) or reset the password on the FCC website."

VISITOR TO N1ZN QTH, BEØAR WITH EARINGS

Thanks to everyone who worked or tried to work my first POTA activation today at Mt. Agamenticus in Ogunquit, ME (K-8448). In 2 hours I made 18 contacts, not stellar, but not bad. All contacts were on 40M at 7.232 MHz, running 100 watts from my mobile installed FT891 to either a Buddistick or my lip mounted ATAS-120 on the rear hatch of my MINI.

5 contacts were with Ontario stations, 4 were with NY operators, 2 with ME and PA stations, and 1 each with hams in DE, MD, NJ, OH and TN. It was an absolutely gorgeous morning atop the mountain (well, the peak is less 1000 feet ASL, but who am I to judge?). Mega thanks to KC1NQE, NZ1J and WB8IMY for showing me the way! This could become habit forming! 73 de AB1DQ/James

Tales of the Non-Sanctioned Fox Hunts DAVE TIPPING NZ1J

Another foxhunt on a beautiful Saturday in May! We all started out in our favorite locations, gear at the ready to catch the first one watt beep. The usual group was there and we were joined by our friends from RASON too.

Today I decided not to plot the bearings but to go on signal strength alone. It worked out well. I followed the signals in a wide sweep, south and east of my starting point and found the fox at the Wallingford Senior Center. As usual, a good time was had by all. Enthusiasm for fox hunting is as high as ever!

Ted KC1DOY

HOPEFULLY THAT WAS NOT POISON IVY!!!

PARKS ON THE AIR

Friday, May 28, 2021 saw two (Count 'em, two!) activations of Parks On The Air for M.A.R.C. Dave, NZ1J, started in Wharton Brook State Park at 8AM planning to work until 11 but was cut short when his battery gave out early. Even so, he made 19 contacts, two of them out of state (Puerto Rico and Nebraska). Dave worked out of the back of his car with a very convenient arrangement of gear.

Here is his setup in his own words. "I essentially brought my home station to the park. I didn't buy anything. I used my Icom 7300 and MFJ tuner along with the lawn tractor battery I've been using for Fox Hunting. I supported a wire dipole with a fiberglass rod from a dome tent. My setup is sure to evolve from here."

Shawn, KC1NQE, had better luck operating from the Naugatuck State Forest beside the Qunnipiac Trail in Cheshire. He made 39 contacts total, 6 park to park, 2 of which were in CT, NZ1J in Wharton Brook and NR1B in Dinosaur State Park. In his own words, "My shining gold star goes to MM5DWW in Scotland with a signal of 3/5. Contacts were made in FL, IA, OH, AL, VA, PA, NY, and Canada. I have had my Ham license less than a year, and only had HF access for about a month. My first POTA activation last week on Lamentation Mountain was my very first time calling CQ, Naugatuck SF was my second. POTA has been a great way, as a new ham, to pick up the mic."

Here is Shawn's equipment list.

Xiegu G90 all band transfer SDR, 20watt,Anytone 878 HT – high gain antennaTenway (Baofeng) HT – long whip antenna20Ah LiFePo batteryEmCommIII End fed antenna100ft coax60 watt solar panelTowel, Clip board, paper, 550cord, multitool, pen

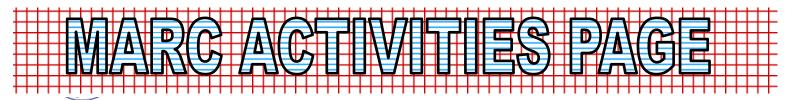

As for myself, I enjoyed seeing what POTA was all about by visiting both activation sites and taking these pictures for KeyKlix. I believe that POTA/SOTA will join foxhunting as a favorite club activity. My single contribution to the event was giving my pen to Shawn when he lost his. Don't worry, you can keep it! However, after this, I will be sure to wear my hiking boots for the next climb up a mountain!

Elmer's Shack The perfect place start or learn more about ham radio

Sunday evenings @ 7:30 PM we have "Elmer's Shack" on Zoom where we offer support for <u>new and prospective</u> hams. During this meeting experienced hams are available to answer questions on a variety of topics. No question is too simple or obvious for this net. **Zoom Meeting ID: 932 5667 9514; Passcode: 686029**

Tech Net

1st & 3rd Thursdays @ 7:30 PM are "Tech Net" Zoom presentations on various technical topics by members and outside guest presenters. **Zoom Meeting ID: 928 4077 4064; Passcode: 677864**

MARC Activities Meeting

4th Thursday is the monthly MARC Activities Meeting. These meetings are usually conducted at our club facility however during COVID restrictions they are on Zoom. They include presentations, discussions or hands on activities. Similar but different from the **Tech Net. ID: 925 1153 2783; Passcode: 000377**

Coffee Cup Net

Every Saturday morning from 9:00 to noon we have an open house at our club facility. It's an informal activity where hams gather and talk about various topics of interest, catch up on what's going on with each other, drink some coffee, eat donuts and bagels, get a radio repaired or programed or simply operate one of the stations rigs. The Coffee Cup Net was born out of necessity due to COVID. Not being able to gather at the club instead we bring our own coffee and donuts to the repeater and catch up on things with each other. All are welcome at the club facility but of course you need to be a ham to use the repeater, **now W1NRG/R @ 147.36 PL 162.2**

MARC Business Meeting

2nd Thursday is the club business meeting held at the club facility or on Zoom as needed by COVID. Open to all members. Fox Hunts

Saturday is the timed live 'Fox Hunt' when one member hides with transmitters and everyone uses radio direction finding techniques to find him. At the fox we rag chew and discuss the details of the hunt. Sunday is a do it yourself search for the fox in a box, no rush at your leisure.

. Zoom Meeting ID: 928 4077 4064; Passcode: 677864

A MINI-NUTFEST AT THE OEM FOR MARC **MEMBERS**

On the morning of 5 June 2021, a ham radio flea market was held at the Wallingford O.E.M. Even though it was restricted to club members it was a great success and brought in \$674.00 to the club! There was a wide assortment of items to choose from and I believe that everyone found something that they liked. Some found that it doesn't always pay to "think about it" for too long when you see something interesting. They lost out when someone else swooped in and bought it first!

The flea market was followed by a foxhunt/Elmer session led by the fox himself, Dave, NZ1J, who, without being detected, planted a transmitter or two in the area. Those new to foxhunting along with a few regulars enjoyed searching out the boxes. The exchange of tips and information was appreciated by all.

Being able to meet at the O.E.M. once again was a highlight of the day even if it was restricted to outside only.
